Pagan Portals - Runes

Kylie Holmes

Runes are an ancient Scandinavian writing system. They have been used for hundreds of years as part of magical rituals, spells and foretelling the future, and are steeped in mystery and secrecy. This book contains meanings of the twenty-four Runes, providing a simple and easy to follow guide for any aspiring Rune caster.

Moon Books; 2013-12-13; Spirituality/Paganism & Neo-Paganism/Alphabets & Writing Systems; Pb-9781846945311, \$12.95/£9.99, 106pp, 5.5x8.5inches / 216x140mm, Ebk-9781782792680, \$6.99/£4.99.

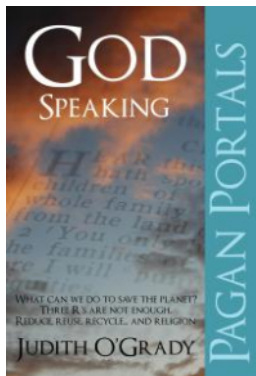

Pagan Portals - Hedge Riding

Harmonia Saille

The hedge riding aspect of hedge witchery is perhaps the most difficult part of the hedge witch pathway. This book focuses on that aspect alone and is an experiential guide. If you want to learn more about Hedge Witchcraft, there is an accompanying book in this series, Pagans Portals — Hedge Witchcraft. Hedge Magic is to follow.

"Anyone, Witch or otherwise, who feels a true affinity with Nature will appreciate the explanations and teachings found in these books. I very much recommend them." **Raymond Buckland**

Moon Books; 2012-08-31; Shamanism/Paganism & Neo-Paganism/Witchcraft; Pb-9781780993485, \$12.95/£9.99, 68pp, 0inches / 0mm, Ebk-9781780993492, \$6.99/£4.99.

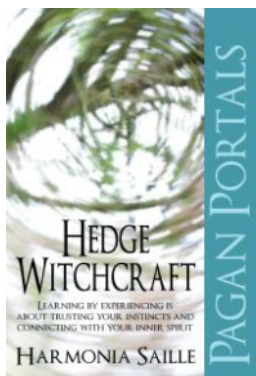

Pagan Portals - God-Speaking

Judith O'Grady

A new concept in Earth ecology incorporating mysticism and folk religion. The author is both a trance seer and a biologist, bringing a unique balance to an examination of nature philosophy.

"The author takes you on a journey through pagan history, belief in god, worship and the ritual that accompanies it, ending with a reflection on belief in the modern day." **Rachel Patterson**

Moon Books; 2013-05-31; Ecology/Gaia & Earth Energies/Religious; Pb-9781780992815, \$12.95/£9.99, 61pp, 8.5x5.5inches / 216x140mm, Ebk-9781780992822, \$6.99/£4.99.

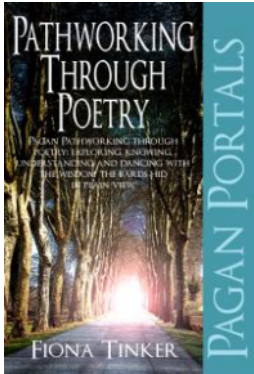

Pagan Portals - Hedge Witchcraft

Harmonia Saille

There is no dogma attached to hedge witchcraft. There are no tenets to follow. The path of a hedge witch is very much an individual one, and it is a solitary practice. In this way, this book is based on my own experiences as a hedge witch living in Ireland and following a Celtic path.

"Harmonia Saille's two books on Hedge Witchcraft are a true delight, being both informative and entertaining. Hedge Witchcraft is often mentioned 'in passing' but seldom examined in detail. Anyone, Witch or otherwise, who feels a true affinity with Nature will appreciate the explanations and teachings found in these books. I very much recommend them." **Raymond Buckland**

Moon Books; 2012-08-31; Witchcraft/Paganism & Neo-Paganism; Ebk-9781780993300, \$6.99/£4.99, Pb-9781780993331, \$12.95/£9.99, 87pp, 0inches / 0mm.

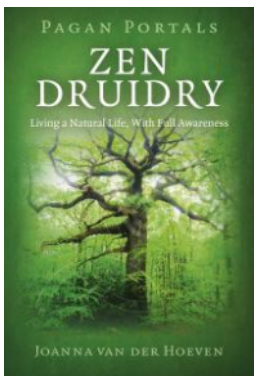

Pagan Portals - Pathworking through Poetry

Fiona Tinker

This book is an exploration of ideas revealed through poetry. It is also an exploration of how symbols and metaphors can be used as a guide on the very personal journey involved in Pagan Pathworking.

"...a particularly valuable addition to any thinking Pagan's library." **John Macintyre, former President of The Pagan Federation and former Presiding Officer of the Scottish Pagan Federation**

Moon Books; 2012-12-14; Paganism & Neo-Paganism/Poetry; Pb-9781780992853, \$12.95/£9.99, 89pp, 8.5x5.5inches / 216x140mm, Ebk-9781780992860, \$6.99/£4.99.

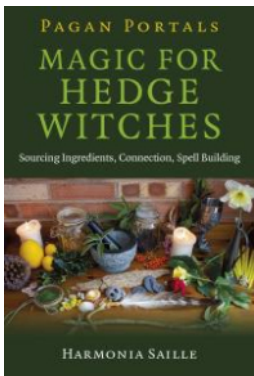

Pagan Portals - Zen Druidry

Joanna van der Hoeven

Blending Zen and Druidry can bring a fully rewarding, rich spirituality for today, immersing one in the present and working with the cycles of nature.

"The best dishes are the ones that leave you wanting more, and Joanna's book is like a perfect hors d'oeuvres. She shows you how well the two paths can weave together, and if someone were to ask me what books I'd recommend to those interested in combining Buddhism and Druidry, I'd say: start with Zen Druidry." **Philip Carr-Gomm**

Moon Books; 2013-04-26; Paganism & Neo-Paganism/Zen; Pb-9781780993904, \$12.95/£9.99, 67pp, 8.5x5.5inches / 216x140mm, Ebk-9781780993911, \$6.99/£4.99.

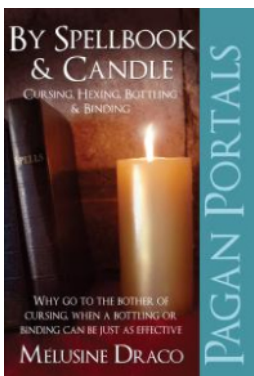

Pagan Portals - Magic for Hedge Witches

Harmonia Saille

Teaching the magical side of the Hedge Witch's Craft.

"Any solitary practitioner can take much from these pages, from mindfully choosing to reconnect with trees and plants to seeking the spirit within a stone. I feel like it's never been more vital to take the advice from Harmonia's book, to pause to notice the tiny details in nature, and the everyday magic that imbues our incredible world. Truly a book that helps rekindle the spark of magic in all of us as well as a practical volume and "how to" guide for the aspiring Hedge Witch." **Mabh Savage, author of Practically Pagan: An Alternative Guide to Planet Friendly Living**

Moon Books; 2022-05-27; Witchcraft/Magick Studies/Wicca; Pb-9781780994215, \$12.95/£9.99, 136pp, 8.5x5.5inches / 216x140mm, Ebk-9781780994222, \$6.99/£4.99.

Pagan Portals - By Spellbook & Candle

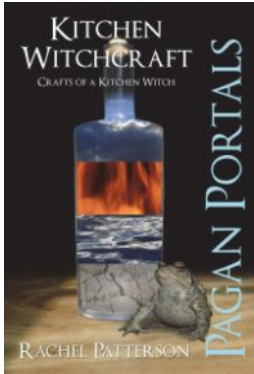

Melusine Draco

The only book of its kind to put traditional cursing into some sort of perspective, and to correct a lot of misunderstandings within modern paganism about the cause and effect of the practice.

"This is a thoughtful book, well written, full of interesting information and plenty of historical curses, as well as discussions of the context in which you may choose to use them. It's slightly uneasy reading at times – and given the subject matter, it really should be. It asks some very interesting ethical questions of the reader."

Nimue Brown

Moon Books; 2012-10-26; Witchcraft; Pb-9781780995632, \$12.95/£9.99, 96pp, 0inches / 0mm, Ebk-9781780995649, \$6.99/£4.99.

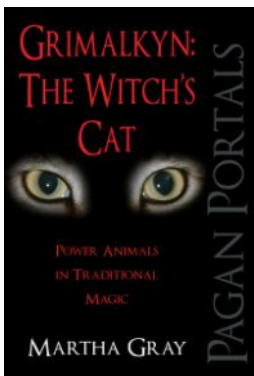

Pagan Portals - Kitchen Witchcraft

Rachel Patterson

Pull up a chair, have a cup of tea, sit back and take a glimpse into the world of Kitchen Witchcraft. This little book will give you an insight into what a Kitchen Witch is, what they do and how they do it.

"I like this ... it's light, friendly and good fun to read. One important facet of traditional Craft is the use of the kitchen and everyday implements to create magical goodies. I like the way the author brings the reader into the kitchen and makes the whole thing inclusive like having a cosy chat over the cauldron. A great addition to the Pagan Portals series." **Melusine Draco**

Moon Books; 2013-02-22; Magick Studies/BODY, MIND & SPIRIT (General)/Witchcraft; Ebk-9781780998428, \$6.99/£4.99, Pb-9781780998435, \$12.95/£9.99, 96pp, 8.5x5.5inches / 216x140mm.

Pagan Portals - Grimalkyn: The Witch's Cat

Martha Gray

There is no middle ground with cats – we either love them or loathe them – but the cat adopted as a power animal represents independence, cunning, dexterity, agility, sensuality, inscrutability and ferocity.

"This is a great book for witches wanting to explore using cat power in their workings and it will also appeal to those with an interest in history, folklore and symbolism. We are taken on a journey through the cat's long history from Egypt and Persia through the witchcraft trails to present day." **Sunchylde DryadMoon**

Moon Books; 2013-03-29; Witchcraft/Paganism & Neo-Paganism; Ebk-9781780999555, \$6.99/£4.99, Pb-9781780999562, \$12.95/£9.99, 86pp, 8.5x5.5inches / 216x140mm.

Pagan Portals – Hoodoo is an introduction to the magical art, detailing what Hoodoo is and how to work with it, as well as offering recipes and other ideas.

"I had been interested in knowing more about Hoodoo for a long time and this book provided me with much clear information and insights. The writing is conversational but clear, straightforward and humorous. There is so much information packed in that although I have read it once, I know I will refer back to it many times." **Colette Brown**

Moon Books; 2013-08-30; Witchcraft/Paganism & Neo-Paganism/Magick Studies; Ebk-9781782790198, \$6.99/£4.99, Pb-9781782790204, \$12.95/£9.99, 101pp, 8.5x5.5inches / 216x140mm.

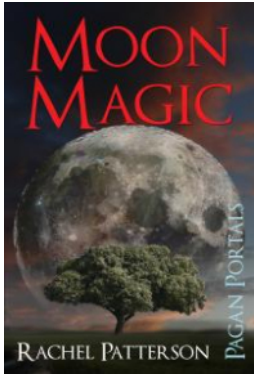

Pagan Portals - Spirituality Without Structure

Nimue Brown

Many people crave a spiritual life without wanting to belong to rigid religions with the almost unavoidable power structures and politics that it involves. This book explores how to construct your own spiritual path, considering the implications of seeking a spiritual life without wanting organised religion to dominate it.

"I see your book as an encouragement to feel not only comfortable but excited about not following a religion. It provides the stimulus for us to start building our own philosophy, our own sense of ethics, our own spiritual way." **Phillip Carr Gomm**

Moon Books; 2013-11-29; Spirituality/Paganism & Neo-Paganism/Inspiration & Personal Growth; Ebk-9781782792796, \$6.99/£4.99, Pb-9781782792802, \$12.95/£9.99, 91pp, 8.5x5.5inches / 216x140mm.

Pagan Portals - Dancing with Nemetona

Joanna van der Hoeven

Nemetona is an ancient goddess whose song is heard deep within the earth and also deep within the human soul. She is the Lady of Sanctuary, of Sacred Groves and Sacred Spaces.

"This lovely volume teaches us how to re-sacralize our life. In a sad and violent world we need to remember to find the sacred within all things; our room, our hearth, our home, our altar, our garden, and our sacred Grove. This is the lesson of Nemetona, divine protectress of the sacred enclosure, so wonderfully expressed within this book." **Ellen Evert Hopman, author of Priestess of the Forest - A Druid Journey**

Moon Books; 2014-05-30; Goddess Worship/Spiritual/Paganism & Neo-Paganism; Ebk-9781782793267, \$6.99/£4.99, Pb-9781782793274, \$12.95/£9.99, 83pp, 8.5x5.5inches / 216x140mm.

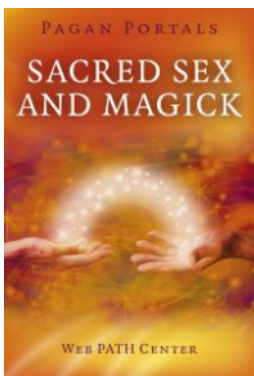

Pagan Portals - Fairy Witchcraft

Yet the path is still there, waiting for those who are ready to seek it out. This is a guidebook for those seeking a path that combines modern neopagan witchcraft with the older Celtic Fairy Faith.

"Morgan Daimler takes you on a journey into the fascinating world of faery witchcraft, lovely book on a wonderful subject." **Rachel Patterson - Author of Pagan Portals Kitchen Witchcraft & Grimoire of a Kitchen Witch**

Pagan Portals - Sacred Sex and Magick

Web PATH Center

The book needed to be spiritual. It needed to be sexy. It needed to be explicit. *Sacred Sex and Magick* is the result.

"In this book, the authors have stripped away a number of common biases and misconceptions; everyone regardless of personal preferences can find a natural fit within these exercises and meditations; likewise the personal experiences shared will resonate with a wide range of readers. While the focus is obviously on sexual magick, much of what's covered here is readily applied to non-sexual practices as well." Pagan Portals - The Triple Goddess

Rachel Patterson

An updated approach for working with the Triple Goddess in modern times

The Triple Goddess has three facets: the maiden, the mother, and the crone. The Triple Goddess represents many things such as birth, life, death and the phases of the moon, waxing, full and waning. Whilst in the form we recognise it may well be a modern idea, it still gives a wonderful way of working with the goddess and her phases, to help us evolve and understand our own pathway through life and this journey can help you to embrace your own personal power.

Pagan Portals - Pan

Melusine Draco

Those who have grown up with Pan as a playmate remember how, back in the day, it would be possible for a young child to disappear into the woods with only a dog for company for hours on end without there being a hue and cry raised in its absence; and it was on those woodland rides and pathways - summer or winter - that Mélusine Draco often encountered Pan.

Pagan Portals - Manannán mac Lir

Morgan Daimler

The sea is a powerful, driving force for many people, a source of sustenance as well as danger. It is no surprise that Manannán, the Celtic God of the sea, should be an important figure but one who is also as ambiguous as the element he is associated with.

"Morgan Daimler has a gift for weaving the scholarly with the spiritual, the personal with the prophetic, and does not disappoint with Mannanán. The book takes you to the heart of the magnificent sea God, so that you can feel the very salt on your soul." **Courtney Weber, author**

Pagan Portals - The First Sisters: Lilith and Eve

Lady Haight-Ashton

It was said in the beginning, in a garden called Eden, that woman was created at the same time as man, and not from his rib. Lilith was the first female and created equal to stand as a partner, but she proved to be a person so troublesome that she vanishes from her rightful place in civilization's mythological legends as first wife.

With her younger sister Eve's story heralding the future of all womankind, Lilith and her story stands alone as a testament to the Sacred Feminine and man's fear of the mysteries that lie within her. *The First Sisters: Lilith and Eve* is a gateway to a provocative awakening.

Pagan Portals - Western Animism

Melusine Draco

Many of today's disenfranchised pagans in the West appear to be seeking a spiritual connection to life without feeling the need to become a witch, a Wiccan, a shaman, Heathen, or a Druid.

Here the Shinto approach fulfils the basic need for a belief system based on what we would define as simple animism and ancestor worship in accord with the world's other, authentic, animistic traditions such as the Australian Aboriginal and Native American way of life; while Zen provides the intellectual stimulation rising from the simplicity of basic folk-belief to elevate the soul to a higher level of mysticism.

Moon Books; 2019-07-26; Paganism & Neo-Paganism/Gaia & Earth Energies/Zen; Pb-9781789041231, \$12.95/£9.99, 96pp, 8.5x5.5inches / 216x140mm, Ebk-9781789041248, \$6.99/£4.99.

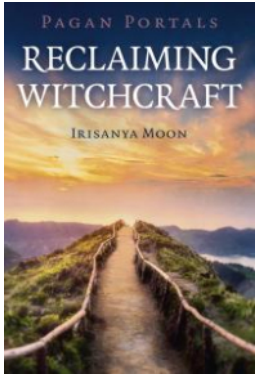

Pagan Portals - Thor

Morgan Daimler

Thor is an immensely popular God but also one of contradictions, whose complexity is sometimes underrated. Often depicted as oafish, he was clever enough to outwit the dwarf Alvis (All-wise). A god of storms and thunder, he brought fertility and blessed brides at weddings and although a defender of civilization and order, he usually travelled with a trickster deity.

Pagan Portals - Thor is an introductory book that examines both history and mythology, untangling older beliefs from modern pop-culture.

Pagan Portals - Seeking the Primal Goddess

Melusine Draco

Using archaeology, archaeo-mythology and mitochondrial DNA we can chart the mass migrations of people throughout the ancient world and follow the footsteps of the beliefs of Old Europe.

But if the concept of the Old Goddess is at odds with current popular thinking, how will we feel if we discover that the Great Mother of contemporary Paganism bears no similarity to the primal Great Goddess of the Old European world?

Pagan Portals - Ishtar and Ereshkigal

Scott Irvine

Ishtar and Ereshkigal are the daughters of the Moon God Sin and sisters of the Sun God Shamash, and members of a family of deities called the Anunnaki, who arrived from the heavens to the earth many thousands of years ago. Ishtar, as Inanna, was the original goddess of love and the forerunner to all of the fertility goddesses that followed. Ereshkigal was the original ruler of the underworld and the goddess of death.

As the queens of heaven and the underworld, Ishtar and Ereshkigal represent the opposing forces that allow life, death and rebirth to occur in the world.

Pagan Portals - Ancestral Healing

Trevor Greenfield

Modern pagans recognize the need to tear down our destructive systems and build inclusive new political and social structures.

"It is becoming increasingly recognized that when a traumatic event is experienced the effects of it, the post traumatic stress if you will, is still being carried many generations later. Therefore one of the most powerful things we can do for ourselves and for future generations, is to carry out ancestral healing in some form... in this inspiring and much-needed anthology eleven authors share their perspectives on ancestral healing..." **Yvonne Ryves, author of Shaman Pathways: Web of Life**

Pagan Portals - Planetary Magic

Rebecca Beattie

At the core of modern pagan witchcraft is a knowledge system concerning traditions of nature, connection, and embodiment to the astrological planets. Throughout magical history, practitioners of magic have looked to the planets for inspiration and magical help. From the earliest beginnings of written magical texts - the Grimoires - magical systems were based on the seven planetary powers that were visible in the night sky. The Grimoires were then studied by practitioners of folk-magic - the Cunning Folk - and by influential groups from the Hermetic Order of the Golden Dawn to practitioners of Modern witchcraft.

Daniela Simina

In Ireland and Romania, fairy traditions are alive and evolving. The study of the parallelism that exists between bodies of lore, past and present, from areas diametrically opposed on the map of Europe, gives scholars, lay people, and spiritual seekers access to an everlasting repository of wisdom.

'This book offers readers a unique opportunity to see the width of the fairy beliefs across Europe, and presents both the Irish and Romanian material in ways that are interesting and engaging. A must read for anyone interested in the subject of fairies.' **Morgan Daimler, author of Pagan Portals: Fairies: A Guide to the Celtic Fair Folk**

Pagan Portals - Lupa

Rachel S Roberts

Explore the mythos of Lupa and its meaning and importance for the Ancient Romans - as well as for you *now*. She is of central and vital importance not only to the history of Rome and the Ancient Roman empire but also to womankind. As an ambassador for the Wolf Genius and essence, Lupa now comes forth to support the empowerment and healing of the inner and outer wild, primal feminine.

'Through her heartfelt, playful prose Rachel unlocks deep echoes of primal remembering rarely felt. This is divine feminine soul retrieval at its best! I am so proud of her!' **Katie Holland, creator of Awakened Belly Dance**

Moon Books; 2023-11-24; Goddess Worship/Spiritualism/Inspiration & Personal Growth; Pb-9781803413501, \$12.95/£9.99, 104pp, 8.5x5.5inches / 216x140mm, Ebk-9781803413518, \$6.99/£4.99.

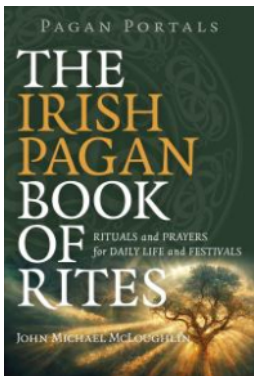

Pagan Portals - Frigg

Ryan McClain

The Norse goddess Frigg is known to have influence over many roles. She is a goddess of marriage and children, but she is also a goddess of fate and cunning. Frigg is a goddess of domestic activities, and she is a goddess of healing. She is a goddess of both love and peace. As the Queen of Asgard, Frigg tends to a court of 12 handmaidens, each having their own distinct qualities. This introductory book examines Frigg's history, functions, relationships, and ways to honor her in our modern times.

'...a book which stands out as both a homage to the goddess and a guide for those seeking her.' **Daniela Simina, author of Where Fairies Meet**

Moon Books; 2024-01-26; Paganism & Neo-Paganism/Goddess Worship/Magick Studies; Pb-9781803413709, \$12.95/£9.99, 112pp, 8.5x5.5inches / 216x140mm, Ebk-9781803413716, \$6.99/£4.99.
